

**STOLEN PROPERTY
IS RECOVERED BY
THE LOCAL POLICE****GAVIN JOHNSON RECOVERS THE
ARTICLES TAKEN FROM HIS
MINE PROPERTY.**

It pays to advertise! This is the opinion of Gavin Johnson. Mr. Johnson had his mining property, four miles south of Tonopah, ransacked and everything loose and that could be pried loose was taken from the property. Mr. Johnson advertised his loss in the Bonanza and Deputy Walker, in passing by a house, recognized one of the articles taken from the mine. Mr. Walker secured a search warrant and found the balance of the stolen articles in the cellar of the house.

Chris Zurich, who works for Mike Giogovaz, the grocery man, is the man who is now under arrest, and he admits taking the stuff, but claims that he put up a notice on the ground.

Mr. Johnson had placed a notice on the gallowa frame, stating that the assessment work for the year 1910 had been done and that that work involved an expenditure of labor and improvement amounting to \$2200. The charge against Zurich is one of petit larceny and the case is to be called at 4 o'clock this afternoon. Petty thievery has been going on around Tonopah for some time and the officers are going to make a vigorous campaign against these criminals, and a number have been given floaters to leave town.

**JAMES J. VOSS
WILL ASSUME LEAD-
ERSHIP SUNDAY****POPULAR VIOLINIST TO TAKE
CHARGE OF IDORA OR-
CHESTRA.**

Amateur night at the Idora last night proved a big hit and help to amuse the large audiences. One of the features of the amateurs was the singing of illustrated songs by a young lady which was well received, but the appearance of a certain young man was greeted with "get the hook" and "the hook for him" and created lots of fun.

The Fortune Teller Trio will appear for the last time tonight. This trio will be welcomed by the Idorites at any time, as their sweet music on harp and violin never failed to please the crowds.

The pictures for tonight and tomorrow cannot be given, as they arrive on the afternoon train, too late for us to publish, but they will be of the same high class order that has characterized this house and made it a favorite in Tonopah.

Tomorrow night will be a big event in the history of the new Idora, as James J. Voss, one of the most popular and expert violinists who ever drew a bow across the violin in Tonopah, will take the leadership of the orchestra. Mr. Voss has a library of 1000 selections to choose from, and his rendition of popular and classical music in former days in Tonopah always met with applause.

Tonopah people are music-lovers and the Idora is to be congratulated

**GOLDFIELD CON.
OFFICIALS WERE IN
TONOPAH TODAY**

A. H. Howe, secretary of the Goldfield Consolidated, and son, and Engineer Fulton of the same company, came over from Goldfield this morning in Mr. Howe's car, and in company with James McCambridge visited the Monarch-Pittsburg in the morning and the Boston-Tonopah in the afternoon.

Quite a bit of development has been done upon the property of the Boston-Tonopah, the stock of which is largely controlled by George Wingfield, and it would not be surprising if there would be something doing in this property before long.

EAGLES' DANCE A SUCCESS.

The dance and entertainment given last night by the Tonopah aerie of Eagles was a success in every sense of the word and dancing was kept up until the wee sma' hours of the morning.

**ASSAULT CASE IS
POSTPONED AT
ROUND MT.**

Judge Sanders was called to Round Mountain yesterday afternoon to represent the state at a preliminary hearing in the justice court at that place. The case was one in which John Raymond was charged with assault to kill by Sam Wade. The weapon alleged to have been used was a knife. When the district attorney arrived at Round Mountain he found that the defendant was sick in bed and unable to appear in court and the case was postponed for ten days. Wade was not seriously injured and the trouble grew out of too much booze, so it is thought that nothing will come from this charge.

INJURED WHILE AT WORK.

William Litchenberg, who is working about seven miles from Tonopah on some mining property in which local people are interested with him, was caught in the hoist engine yesterday and badly bruised. Mr. Litchenberg was brought to the city where he received medical attention. The injuries are not serious and Litchenberg will be able to resume work in a few days.

on this feature of their entertainment.

Sunday night will also see a complete change of the vaudeville acts, the Dunbars, direct from the Pantage circuit, will appear in a funny sketch, and Levina and Nelsco will appear in tragic magic.

**WHITE PINE SHERIFF
MISSING; ALSO LARGE
AMOUNT OF MONEY**

ELY, Nev., May 27.—Sheriff Al Butler of this county is supposed to have absconded with county funds amounting close to \$7000, and is believed to be in Southern California. Butler has been away from Ely for ten days and it has been rumored during that time that he was short in his accounts and would not return.

It was generally supposed that Butler had a large sum of money in the office safe, but upon that depository being broken open this morning it was found to contain nothing in the way of finances.

Following the special to the Car-

son News a second telegram was received by L. F. Adamson, which runs as follows:

"Ely, Nevada, May 24, 1911.

"Sheriff Butler of White Pine county has absconded. Kindly confer with attorney general and the state police.

"C. J. McFadden,
"District Attorney."

In view of the startling disclosure concerning the shortage in Sheriff Butler's office, Captain Donnelly of the state police, and State License and Bullion Tax Collector Adamson felt for Ely Friday evening.

**FORCE OF MEN PUT TO
WORK AT LODI MINES****Old Property In Nye County Will Be
Made to Produce Once More---Lo-
cated In 1875.**

W. O. Van Arsdale, president of the street railways of Wichita, Kansas; E. D. Fleher, president of a bank in Kansas City; J. H. Eaton, a well known mining lawyer of Denver, and S. Lehman, a wheat man of Newton, Kansas, left this morning for their homes. The gentlemen came to Tonopah two days ago after buying in the property of the Lodi Mines company, which was sold at sheriff's sale May 24 at Marble, Nevada.

The Lodi mines brought \$30,000 under the sheriff's hammer the title to the property is now in the hands of the above named gentlemen. A force of 25 or 30 men was put to work immediately under the supervision of H. L. Eaton, a min-

ing man of Denver, and the old property will once more be opened up and put in the producing class.

The Lodi mines were located in 1875 and produced for many years. A 1200-foot shaft is on the property and a smelter of 100 tons capacity. A complete water system is installed and everything is at hand to resume operations on a large scale. The estate of the Lodi Mines company is in Nye county and the property was sold by Sheriff Malley.

Last evening the party of Kansas men were escorted through the underground workings of the Belmont by Ed Malley and they pronounced it the greatest mine they ever saw.

**DIAZ'S RESIGNATION IS
ACCEPTED BY DEPUTIES**

MEXICO CITY, May 27.—Senor De La Barra took the oath of office as provisional president yesterday. He was escorted by former President Diaz and staff. General Rascam took the oath as minister of war. The diplomatic corps attended in full regalia. Order prevailed last night.

Business resumed a normal basis today. Police and soldiers are acting under the direction of Alfredo Dominguez, Madero's representative, and it will not be necessary to call in the rebel forces. Diaz's condition is improved, and it is believed he will sail for Europe by the end of the month. The passing of Diaz is one of the most dramatic events in Mexican history. The city was wild with enthusiasm when it was accomplished, but no excesses were committed.

PRESIDENT DIAZ'S LETTER.

The letter of President Diaz, resigning as president of the republic which he has ruled for 30 years, was pathetic and revealed how deeply the revolt of his people had touched him. His letter read:

"Sirs:—The Mexican people, who so generously covered me with honors during the war, and who patriotically assisted me in the work undertaken to develop the industry and commerce of the republic, establish its credit and gain for it the respect of the world and obtain for it an honorable position in the concert of nations; that simple people, sirs, has revolted in armed

military bands, stating my presence in the exercise of supreme executive power is the cause of this insurrection.

"I do not know any fact immediately attributable to me which could have caused this social phenomenon; but permitting, though not admitting, that I may be unwittingly culpable, such a possibility makes me the least able to reason out and decide my own culpability.

"Therefore, respecting as I have always respected, the will of the people, and in accordance with article 82, of the federal constitution, I come before the supreme representatives of the nation in order to resign unreservedly the office of constitutional president of the republic with which the national vote honored me, which I do with all the more reason, since, in order to confine in office, it would be necessary to shed Mexican blood, endangering the credit of the country, dissipating its wealth, exhausting its resources and exposing its policy to international complications.

"I hope, gentlemen, that when the passions, which are inherent to all revolutions, have been calmed a more conscientious and justified study will bring out in the national mind a correct acknowledgment that will allow me to die carrying engraved on my soul a just correspondence of the estimation which throughout my life I have devoted and will devote to my countrymen.

"With all respect,

"PORFIRIO DIAZ."

**DIAZ SENDS
RESIGNATION
TO DEPUTIES****GIVES UP PRESIDENCY AND
DEL LA BARRA ASSUMES
THE OFFICE.**

MEXICO CITY, May 27.—President Porfirio Diaz is dead! Long live citizen Porfirio!

President Diaz, in a letter read by the president of the chamber of deputies, yesterday afternoon, resigned the presidency of the republic of Mexico and at 4:45 o'clock the acceptance of the resignation by the deputies was announced.

Everyone had expected an uproar and demonstration when the announcement should be made but within the chamber the words announcing the event were followed by silence. The deputies seemed awed by what had taken place.

In the streets, however, black with people, every road leading to the hall being blocked, news that President Diaz was at last no more the incumbent of the high office of president, was the signal for wild shouting and manifestations.

There was no violence or destruction of property.

On the motion to accept the president's resignation, 167 deputies voted aye, while two of them did not express themselves. They were Renito Juarez, a descendant of President Juarez, and Concepcion Del Valle. As their names were called, other legislators arose and bowed their affirmation.

In similar fashion, the resignation of Vice President Roman Corral, now in France, was unanimously accepted and similarly Francisco Leon De La Barra, late ambassador to Washington, was chosen provisional president. The latter will take the oath of office at noon tomorrow in the yellow parlor of the national palace.

Of scarcely less interest in the popular mind, was the practical assumption of military control of the federal district by Alfredo Robles Dominguez, Madero's personal representative.

Personally Dominguez commands only a small body of local rebels, but the federal garrison is under orders to make no move whatsoever without securing his approval. Senor Dominguez stated he can bring 5000 organized rebel troops into the city within three hours. Their baggage and horses are aboard the trains furnished by the government at Cuernavaca, Pachuca and Tlal-nepantla. He stated that they will remain at their present stations until they should be needed in this city to control the situation.

**BRAKEMAN MEETS

IN LOCAL YARDS**

Brakeman John D. Ryan of the Tonopah and Goldfield railroad was injured about 8:30 this morning in the local yards by being caught between a box car and the freight platform and rolled. The injured man was removed to the Miners' hospital where he was attended by Drs. Grigsby and McDonald, who found that the man was not seriously hurt, though considerably bruised. Ryan's home is in Goldfield.

**BASEBALL RUMOR
FROM GOLDFIELD**

It is reported that George Wingfield has donated \$1000 to the Goldfield baseball team. This rumor was on the street this morning. If it is so Goldfield had ought to have a good team this year.

**GEORGE WINGFIELD
GLADDENS HEARTS OF
THE GOLDFIELD ELKS**

GOLDFIELD, Nev., May 27.—Goldfield Elks' lodge, No. 1072, gladdened the heart of Dr. D. A. Turner yesterday by presenting him with a golden life membership card, inlaid with high-grade ore from the various mining districts. Today their fraternal gift-giving was repaid many times over by the gift of the last thousand dollars still due on their building. The donor of this amount was Mr. George Wingfield, himself an Elk, and interested in everything pertaining to Elksdom and Goldfield.

While talking with friends in the club's rooms this morning, Mr.

PROMPTLY AT 2****MARRIED AND SINGLE MEN TO
CONTEST AT VOLUNTEER

A large crowd will be on hand to witness the baseball game between the married men and the single tomorrow afternoon at 2 o'clock. This is assured as the game is now the only talk heard on the street and everyone is discussing the merits of the different players. No admission will be charged, but the two teams will be picked from the best material and there are a bunch of good ball players in Tonopah. The lineup as announced yesterday will be changed somewhat, the married men will line-up as follows under Captain Peck: Malley, catcher; Spencer, pitcher; Brooks, first base; Trerize, second base; Hunter, shortstop; Perry, third base; Morris, Peck, Booth, Miller, Parker, Mushett and Atkinson, fielders.

**MUSICAL ACT
COMING TO BUTLER
NEXT WEEK****ATTRACTION FROM SAN FRAN-
CISCO EMPRESS THEATER
MADE BIG HIT.**

Tomorrow night at the Butler theater the Josephine Jacoby company opens a one-week's engagement, changing every night. Miss Jacoby has played at the best theaters, both in the east and west, and comes here direct from the Sullivan & Considine circuit, having played the Empress for two weeks in San Francisco. During the act they will play bells, xylophones violin and piano.

Miss Jacoby is a graduate of the Vienna conservatory of music and her partner a graduate of Boston Conservatory of Music, and we can assure the music-lovers of Tonopah a treat when they play. Miss Jacoby features the violin and from the newspaper reports, has filled the houses wherever she has played. The following is from the San Francisco Examiner:

"At the Empress this week is a musical act that certainly makes you set up and take notice. Josephine Jacoby & Company are the people and their act is one of the best ever seen in this city, both as to music, costumes and the way they play. If you have the blues go to the Empress and see them, and you will not be disappointed." This clever team will appear at each evening's performances and on Saturday and Sunday matinees.

District Attorney Sanders made a trip to Manhattan yesterday afternoon, returning this morning.
